

Comstock Estates Home Owners Association

Board Meeting Minutes for May, 2023

The Board of Directors for Comstock Estates Home Owners Association was unable to meet in person for the month of June. They continued to work throughout the month and communicated via group text and emails.

The irrigation water supply took the majority of the work with new clean-outs being installed and all of the clean-outs being hydro jetted. The Board also worked on obtaining updated fence bids with two contractors walking the fence line with a member. Several Architectural Control Committee approvals were processed promptly for home owners. Lines of communication were kept up to date via Facebook posts, mass emails and if necessary, the use of entry signs. And our HOA management company kept the bills paid and the finances in order.
